

get fresh

A woman with long dark hair and bangs, wearing a black double-breasted coat, is smiling and looking to her right. She is holding two large shopping bags. The bag on the left has a colorful paisley pattern and is filled with a bouquet of bright yellow sunflowers and purple flowers. The bag on the right has a black and white geometric pattern and contains a loaf of bread. The background is a blurred market stall with various plants and baskets.

Choose to Reuse in Style
